Re: ENGINEERED PLASTICS, Armor-Tile Detectable Warning
Spec. No: 608-A

File No:00773

Dear Mr. Kszekely:

A Product Evaluation Committee member or their designee considered the merits of your product and approved it. It will be your responsibility to inform all potential users (i.e., contractor and this Department) of your product. The purchase of your product is subject to State procurement procedures.

The approval of your product is no guarantee that it will be used in a construction/maintenance project. The approval is withdrawn if your product fails to perform according to the manufacture's statement and the performance criteria.

Thank you for your submittal and patience.

Sincerely,

Thomas Raught, P.E.
State Maintenance Engineer
